#### Über die Messe

ARTOZA: An unwavering trade show institution! Having established ourselves as one of the most successful trade shows in Greece and one of the best of its kind around the world, ARTOZA is justifiably considered to be a trade exhibition of symbolic importance and a point of reference for the bakery and patisserie industry in the country. In the extremely challenging economic climate of recent years, ARTOZA has managed not only to maintain its strength, but also to enhance the recognition and appeal it has acquired over the years to remain the unwavering trade show institution for the entire sector.
