

GEAR EXPO

Internationale Ausstellung für Antriebstechnik

INTERNATIONALE MESSE

Columbus, USA

ALLGEMEINER ÜBERBLICK

Über die Messe

For three days, the full range of drive technology experts - design, manufacturing, application engineering, gear buyers and manufacturers - network and build relationships that benefit their respective companies. Thousands of professionals from around the United States, international manufacturing hubs, and emerging markets conduct profitable business transactions and collaborate on the innovations that make their operations more streamlined.
