

MIVAR

Internationale Ausstellung für Lüftungs-, Klima- und Kühltechnik

INTERNATIONALE MESSE

Yangon, Myanmar

ALLGEMEINER ÜBERBLICK

Über die Messe

Take this opportunity to tap into the HVAC market with MIVAR - Myanmar's Biggest International HVAC Technology Exhibition. Held at the Myanmar Event Park in Yangon, MIVAR looks to set to feature over 350 exhibitors and over 6000 sqm of exhibition space. Held in conjunction with MYANBUILD - Myanmar's Biggest Building and Construction Exhibition, you can expect to meet with over 8,000 trades buyers including architects, building consultants, developers, real estate managers, building managers, engineering firms, M&E engineers, importers, distributors and more.
