

EAST AFRICA BUILD

Internationale Fachausstellung für Baumaterialien, Baumaschinen, Maschinen und Produkte

Dar es Salaam, Tansania

ALLGEMEINER ÜBERBLICK

Über die Messe

Welcome to East Africa BUILD 2018 – East Africa's International building materials, construction equipment, machinery and products Trade Exhibition. East Africa BUILD 2018 is the ideal platform which provides participants unique insights on the entry strategies to the East African market and help them assess the potential growth of their products and services in the region, as well as help the local players to showcase their latest products, equipment and technology to the East African Building & Construction Industry.
