#### About the expo

China Plastics Expo (Shortened as CPE) has been held successfully since 1999 and has become one of the most famous and influential exhibitions in Chinese plastic industry. Since 2013, China Plastics Expo was listed as The Guiding and Supporting Exposition by the Ministry of Commerce of the PRC and was titled as "China (Yuyao) International Plastics Expo". As the annual grand event in plastic industry, China Plastics Expo gathers a great number of famous enterprises of plastic raw materials, machineries, moulds and products which demonstrates new materials, equipments and technologies; and CPE is the only exhibition that was supported by both the most authoritative industrial association and the most powerful production and distribution company of petrochemical industry as organizers.
