

LAOENERGY

Laos International Power Generation, Transmission, Distribution and Electrical Engineering Show

Vientiane, Laos

GENERAL OVERVIEW

About the expo

LaoEnergy'17 - Laos' No.1 International Power & Electrical Engineering Show which will be held at the Convention Hall, Don Chan Palace, Vientiane will be the 1st major international business to business trade exhibition for the electrical engineering and power generation industry in Laos. It is held to provide a platform to power up your connections with key buyers and decision makers. The time is now for your business to seize your share of this growing market by participating at LAOENERGY 2017. Meet with top decision makers from Ministry of Electric Power, city development councils, as well as property developers, architects, installers, building and electrical contractors to build new relationships and make new paths for your business in Laos.
