About the expo

This annual pre-season event covers all areas of motorsport, both professional and grass roots, from karting right up to Formula One. Featuring the very latest in motorsport, automotive and performance engineering technology, alongside cars and exhibitors from every level of motor racing, this must-attend event uniquely caters for the industry and motorsport fans alike, encompassing two trade-only days for members of the motorsport industry to meet, network and do business and two days for enthusiasts to see the fastest cars, biggest stars and most amazing live action.
