fey messe & objekt design GmbH & Co. KG

For over 35 years now we at fey have been helping our customers to present themselves in the most optimal way possible.

- **fey messedesign** looks after everything to do with fairs and exhibitions through its comprehensive full-service programme, decades of experience and innovative ideas.
- **fey objekt design** offers creative interior design concepts and ideas for offices, medical practices as well as at home, and has a range of exclusive design objects and selected products from well-known manufacturers permanently in stock.
- And **fey mobildesign** realizes numerous possibilities for unusual open-air event ideas with a textile tent system.

Success is guaranteed - because we at fey live for what we do!
