Messebau Wörnlein GmbH

Exhibition stands are designed to achieve results and demand the effective use of time and space. And Wörnlein is your professional partner for designing exhibition stands that do just that while simultaneously delivering the results you desire.

We plan and realize your exhibition appearance, allowing you to achieve your specific exhibition goals as easily and economically as possible. In other words: We help you make effective use of time and space.

As an exhibition stand construction specialist who has provided services for NurembergMesse since its inception, Wörnlein brings decades of experience to the construction of your exhibition stand. Where others simply jump in and start building, we work according to a proven concept for success that ensures the effective use of time and space: Your portfolio and industry profile, the resources you have available to you and your exhibition goals are optimally combined.

Areas of operations:

- Creative stand construction
 - System stands
 - Shard stands
 - Rental furniture & accessories
 - Exhibitions "inhouse"
